Sir,

In submitting herewith a copy of resolution No VIII of the Managing Committee of the Institute held on 21th August 1925, I have the honour to bring to the kind notice of Government that the Hostel attached to the Institute is really a charitable Institution like a chattram The boarders therein are not residents of the Mysore City They are drawn from different outstations in the Mysore State and British India As explained in the resolution, they are all free boarders, none of them being able to pay for their food All the feeding charges are met by contributions from Local Fund Boards, public donations and subscriptions from individuals and other benevolent institutions

The Managing Committee, therefore, has to state that the Hostel in question, so called by courtesy, is in fact a charitable institution like a chattram and it should be so treated and given a free supply of water as per GO No L41-17/ML 101-24-1, dated 2nd July 1925.

Soliciting the favour of early orders in the matter,

I have the honour to be,
